Area Plan Executive Director Kathy Singleton requested a decision about a tract of land in the Smith Addition. Part of the parcel contains the pond that is a part of the drainage system for the subdivision. After much discussion Barnes recommended the parcel be given a new identification number. Morning advised this would be in order. This issue will be turned over to the Area Plan commission.

ALBERTSON ROBINSON TILE

Phil Wright talked about his problem with his neighbor placing cement blocks and broken tile pieces next to the fence between their properties. Wright feels these are impeding water flow. Wright will consult with his neighbor and if unsuccessful Barnes and the Surveyor will visit the problem area.

RICHARD PHILLIPS TILE

Masters and the Surveyor delivered a tree to the Powell's who rejected the tree. Barnes then makes a motion to purchase two black walnut trees to replace the ones that were allegedly damaged. This will be done as required in the agreement. Cole 2<sup>nd</sup> the motion and it passed. Masters abstained.

CULLEN/GREGG OPEN

Surveyor showed pictures of work being done and discussed possible problems with installing rip-rap next to a landowner's yard.

With nothing else to come before the board Barnes made a motion to adjourn, with a 2<sup>nd</sup> by Masters. Motion carried.
